

# Anleitung: Astronauten-Helm

Instructions No. 1363

Difficulty: Advanced

Whether it's a motto children's party, carnival or Halloween - dressing up is always a lot of fun! To make the **costume** unique, you can easily **make** it yourself. It is very easy and on top of that **alot of fun!** Here we show you how you can make the **deceptively real astronaut helmet**.

te the **balloon** and knot it

ver part with **Permanent**  
ed pieces. Next, rub the  
r **fingers**. Make sure that

xt, apply 2 layers of  
fibre silk and let it dry.  
nating with a layer of  
**unevenness is evened**

**sponge** and let it dry.

ire with a ruler and mark with a pencil. Mark the  
**plate**), cut it out and place it in the middle of  
**t afterwards**

un on the right and left

**cm**, two **strips** measuring approx. 2 cm x 9

**strips (the strips with the dimensions 2 cm x sides)**. It is best to start on the front side and (so that the Paper fits better) and stick them

**abric or a white plastic bag around the**

rate it additionally with glow-in-the-dark stickers  
 n to attach a visor.
