

Briefkasten mit Edding

Instructions No. 725

Difficulty: Beginner

Working time: 20 Minutes

Simply label and paint lantern foils with edding® pens and then create beautiful Lanterns ! Let this idea from the house of edding® inspire you to make your own creations.

Ensure there's no grease or rust. Shake the universal primer spray from Edding vigorously for 30 seconds. Remove the spray guard, which is located under the spray head. Test briefly, e.g. on the mailbox in a cross-coat and observe the drying time indicated on the box. Now prepare the mailbox as for the primer spray. Apply here also in crosswise direction and the distance to the mailbox should be 20 cm. Finally, use the Clear varnish-spray from Edding. It makes the mailbox shine and protects against
