

Dreamlike winter landscape with house

Instructions No. 2372

Difficulty: Beginner

Working time: 3 Hours

The most beautiful winter landscapes are self-made - use this idea to create your own winter magic. Crafting is fun and you will certainly succeed.

Arrangement on the table or in the window

Decorate the hemisphere together with other fir trees, with some absorbent cotton and small bells or even cones to a great arrangement. Your new decoration highlight for the winter season is ready!

Must Have

Acrylic ball, Ø 25 cm
