

VBS Creative set "Family fox"

Instructions No. 2593

Difficulty: Beginner

Working time: 1 hour

When it's dark outside and the days are getting shorter, it's time to be creative! Perfect, then, to spend time at the craft table with the Fuchs family and their children. With our creative set, you can conjure up a cute autumn decoration as well as a beautiful decoration for the children's room at the same time.

Craft your family fox

1. First, paint the spools of yarn completely in orange. Then continue with the heads: first paint the backs of the heads of all the family members. Mummy and daddy fox then get a wide triangle as a snout, whereas the little fox's nose is narrower.

Once the paint is dry, the eyes, nose, mouth and cheeks are added.

Tip: small reflections of light, applied with a white pencil, make the face look much more lively.

2. Now give the foxes their fluffy fur. Wrap the white chenille wire around the yarn spools and fix the ends with craft glue. Glue the heads onto the top of the spools.

3. While the glue is drying, transfer the patterns to the felt and cut out all the pieces.

A = 3x (orange)

B = 6x (white)

C = 4x (orange) > legs mummy and daddy fox

D = 2x (orange) > legs fox child

E = 6x (orange)

F = 6x (white)

4. Part B is glued on the tail (part A) in the front and in the back. Also glue the ears, consisting of part E and F, onto each other before attaching all the felt parts to the fox.

Have fun!
