

VBS Lantern from Wooden Sticks

Instructions No. 2395

Difficulty: Beginner

Working time: 1 hour

When it starts to get colder outside, it's time for light decorations of all kinds. This lantern can be either plain and single-coloured or with different colours and further decoration.

r so
ue

Set it between the four sides. If the glue is not completely dry

is set. You can, for example

place sticks between the sides. Then fill the other

side, place enough sticks next to each other until it is dry.

Also be used, but you should avoid using

VBS Wooden sticks "Nature"
