

Weihnachtlicher Sternkranz

Instructions No. 1031

Difficulty: Beginner

Working time: 20 Minutes

This **star from Willow** with its harmonious colour scheme is completely natural. Effectively placed Nature-elements like Fir and Jute are particularly effective here. Classic Christmas-Article, like the baubles, conjure up a festive atmosphere and transform this wreath of stars into a modern Advent arrangement or even a wonderful door wreath.

with a fir

d the end
carefully

attach it to

glue.
