

# Wiederverwendbare Abdecktücher

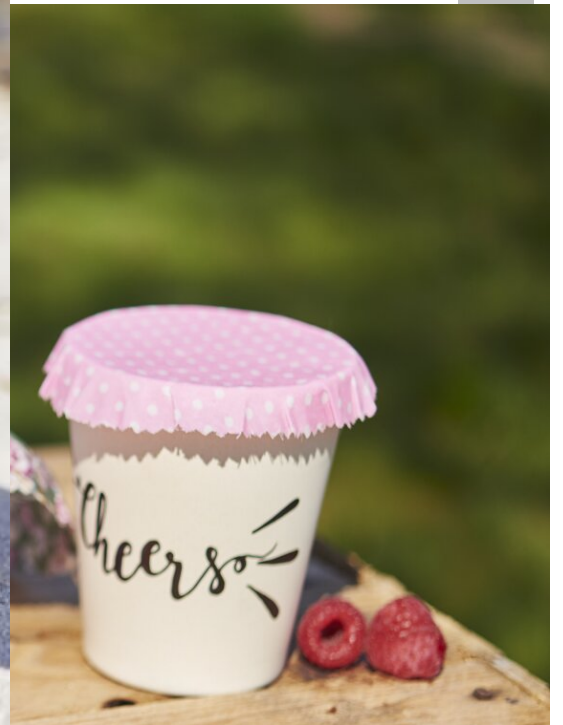

Instructions No. 1778

Difficulty: Beginner

Working time: 20 Minutes

Now that the weather is better, the barbecue season has finally started again. This means that the most delicious delicacies are coming from the kitchen to the table. But to protect the food outside from insects, bowls, cups and dishes are often covered with cling film. But to save all that plastic waste afterwards, we have a simple and **sustainable solution** for you: reusable **cover cloths!**

TexWax Impregnating Fluid

9,95 €

RRP 11,90 €

(1 l = 39,80 €)
