sl st	slip stitch
dc	double crochet

KNITTED BODY AND EDGE

With knitting needles and through back loop of stitches take 56 sts into work and knit in rounds. Place marker at beginning of round. Knit 13 rounds.

For the upper edge turn and work in opposite direction: knit. At the end of the first rd k2tog (55 sts). Knit 3 rounds.

Turn and work in opposite direction: k and cast off.

To weave in ends divide the thread into 3 single strands, use a tapestry needle to weave ends in different directions.

Note: Due to the fact, that Crafty Fine yarn is recycled from colour-assorted textile material and not re-dyed there can be slight variations in color and thickness. We therefore recommend buying enough yarn for your project. We also advise to use a crochet needle without handle, which is easier to work with. The first stitches might be a little bit hard to work, but you will soon get used, and the final result is worth it.

WASHING ADVICE

- Always wash in as warm a water temperature as possible - up to the temperature recommended, with a short spin. Use a lot of water if hand washing. For darker colours we recommend the use of discolouration sheets.
- Do not bleach.
- Do not tumble dry. Drip-dry on a horizontal surface.
- Iron on a hot temperature setting using a damp cloth.
- Professional dry cleaning in tetrachloroethylene.
- Do not use optical brighteners (or any detergent containing optical brighteners). We recommend to use a softener to preserve the natural softness of the yarn.
