KNOTS USED

Lark's Head knot
Square knot
Overhand knot
(see at the end step by step tutorials for these knots)

BEFORE STARTING

Cut the following:
- 6x 120 cm ropes colour 00105
- 1x 30 cm rope colour 00105
- 1x 120 cm ropes colour 00105
- 6x 120 cm Metallic gold yarn colour 00300

STEPS

Step 1: Fold over each rope so they are doubled and make reverse **lark's head** knot on all to the wooden stick. Add the gold yarn evenly throughout with a reverse **lark's head** knot. Take the 30 cm rope and create the hanging loop by using a **overhand knot**.

Step 2: Take left hand side first 2 pieces of yarn and create a **square knot**, continue this process 3 times on the same rope keep the gold thread working with the same as the yarn.

Step 3: Take the end pieces and loop them through the space between the first square knot and the wooden stick. This will create the berry knot. Secure by making on last square knot underneath. Continue this process on the next pieces of yarn so you have 3 across the top.

Step 4: Create an upside triangle. Repeat step 3 three times. Trim ends and brush accordingly.

Note: Due to the fact, that Crafty Fine yarn is recycled from colour-assorted textile material and not re-dyed there can be slight variations in color and thickness. We therefore recommend buying enough yarn for your project. We also advise to use a crochet needle without handle, which is easier to work with. The first stitches might be a little bit hard to work, but you will soon get used, and the final result is worth it.

WASHING ADVICE

Always wash in as warm a water temperature as possible - up to the temperature recommended, with a short spin. Use a lot of water if hand washing. For darker colours we recommend the use of discolouration sheets. Do not bleach. Do not tumble dry. Drip-dry on a horizontal surface. Iron on a hot temperature setting using a damp cloth. Professional dry cleaning in tetrachloroethylene.
